Verse 2: (starts again with intro strums)

So many hills
And valleys in life
But that's where we find
Out what's inside
The right attitude
Can carry you through
Seems like the good dogs know—

Chorus:

When he hears the call—
Reach into his soul—
He lets his wild fire go—
Smokey will run free
Can you hear it too—?
Reaching into you—?
Let your inner child through—
Then you will run free—

Then you will run free—too
