

**Turtlurtlurtle – Kids song - Bb - Capo 3 - Calypso strum**

**G** **Am**  
Turtlurtlurtle is a turtle, not a bird

**G**  
Or an orangutan, an elephant

**D**  
Or even a giraffe

**G**  
She can hold her breath

**Am**  
Under water, like an otter

**G D G**  
But she isn't an otter either

**Em**  
And her best friend, Lou

**G**  
Is a turtle too---

**Am (3) G**  
How do you do, Lou?

**G** **Am**  
Turtlurtlurtle has a sister, Myrtlyrtle

**G**  
She's a turtle, not a parrotfish

**D**  
Flamingo or a bat

**G**  
If you get confused

**Am**  
When you see her on the evening news

**G D G**  
She isn't a TV journalist

**Em**  
She has a crush on Lou

**G**  
If he only knew---

**Am (3) G**  
(Oh!) How do you do, Lou?

(Slower)

**Am D**  
Now turtles don't often

**Am D**  
Get mistaken

**Am Bm**  
For the other animals in the zoo---

**Em**  
Except for tortoises

**G**  
They live on land  
**Em**  
We're talking about turtles  
**D**  
They live in water, and on land too

**G** **Am**  
Turtlurturtle is a little bit unusual  
**G**  
She likes to wear a costume  
**D**  
Every day of her life  
**G**  
She's super social  
**Am**  
Soaking in the pools of other animals  
**G** **D** **G**  
She doesn't seem scared at all (aah aah aah all---)

**Em**  
And her best friend, Lou  
**G**  
Wears a costume, too---  
**Am (3)** **G**  
But only sometimes

**Am** **D**  
So, if you happen to  
**Am** **D**  
Be at the zoo  
**Am** **Bm**  
And you see a strange looking animal---  
**Em**  
It might be a turtle  
**G**  
In disguise  
**D** **D7**  
Otherwise, it might be a homo sapien

**G** **Am**  
Turtlurturtl---urtlurtlurtlurtl...  
**G** **D**  
Urtlurtlurtl and Loooo  
**G** **Am**  
Turtlurturtl---urtlurtlurtlurtle  
**G** **D** **G**  
Urtlurtlurtl--urtl and Loooo

**G** **Am**  
Turtlurturtle's still a turtle. Quite a turtle!

**G** **D**  
And Myrtlyrtle finally married Lou

**G**  
Everybody's happy

**Am**  
This is sounding kind of sappy

**G** **D** **G**  
But we hope to see you at the zoo

**Em**  
Bring your best friend, too

**G**  
If he's a turtle, you—

**D(1)G(1)**  
Are lucky
